Loving Heart Multi-Service Centre (Jurong)
STATEMENT BY THE MANAGEMENT COMMITTEE
For the Financial Year Ended 31 March 2022

In the opinion of the Management Committee

- (a) the financial statements of Loving Heart Multi-Service Centre (Jurong) (the "Centre") together with the notes thereto are properly drawn up in accordance with the provisions of the Societies Act 1966 (the "Societies Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations"), and Charities Accounting Standards in Singapore ("CASs") so as to present fairly, in all material respects, the state of affairs of the Centre as at 31 March 2022, and the results, and cash flows of the Centre for the financial year ended on that date;
- (b) at the date of this statement, there are reasonable grounds to believe that the Centre will be able to pay its debts as and when they fall due; and
- (c) there was no fundraising-appeal held by the Centre during the financial year.

The Management Committee authorised the issue of these financial statements.

For and on behalf of the Management Committee

.....
Mr. Karthik Sankaran
Chairman

INDEPENDENT AUDITOR'S REPORT

To the Members of
Loving Heart Multi-Service Centre (Jurong)
For the Financial Year Ended 31 March 2022

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Loving Heart Multi-Service Centre (Jurong) (the "Centre"), which comprise the balance sheet of the Centre as at 31 March 2022, the statement of financial activities, and statement of cash flows of the Centre for financial the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act 1966 (the "Societies Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations"), and Charities Accounting Standard in Singapore ("CASS") so as to present fairly, in all material respects, the state of affairs of the Centre as at 31 March 2022, and of the results, and cash flows of the Centre for the financial year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Centre in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprise the Statement by the Management Committee, but does not include financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Loving Heart Multi-Service Centre (Jurong)
For the Financial Year Ended 31 March 2022**

Responsibilities of Management Committee and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulations, and CASs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Centre's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Loving Heart Multi-Service Centre (Jurong)
For the Financial Year Ended 31 March 2022**

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also: (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the Centre have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, and the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the financial year:

- (a) the Centre has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the Centre has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

Loving Heart Multi-Service Centre (Jurong)
NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. GENERAL INFORMATION

Loving Heart Multi-Service Centre (Jurong) (the “Centre”) is registered under the Societies Act 1966 and the Charities Act 1994 and is domiciled in the Republic of Singapore. It is an approved Institution of Public Character (IPC) from 01 November 2020 to 30 April 2023.

The registered address of the Centre is located at Block 316 Jurong East Street 32, #01-279, Singapore 600316.

The principal activities of the Centre are to provide social and welfare services to families, elderly residents and students living or studying in the South West Community Development Council (SWCDC) area. The Centre is a joint project between Jurong Central and Jurong Spring Citizen’s Consultative Committee and funded by private donors and organisations.

The financial statements of the Centre for the financial year ended 31 March 2022 were authorised for issue by the Management Committee on the date of the Statement by the Management Committee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements have been prepared in accordance with the provision of the Societies Act 1966, the Charities Act 1994 and Charities Accounting Standards in Singapore (“CASs”). The accounting policies of the Centre are consistent with the requirements of the CASs and are applied consistently to similar transactions, other events and conditions. The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

The preparation of the financial statements in conformity with CASs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and significant judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are described in Note 3.

Loving Heart Multi-Service Centre (Jurong)

NOTES TO THE FINANCIAL STATEMENTS For the Financial Year Ended 31 March 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.2 Functional and presentation currency

Items included in the financial statements of the Centre are measured using the currency of the primary economic environment in which the entity operates (the “functional currency”). The financial statements of the Centre are presented in Singapore Dollars (“\$”) which is the Centre’s functional currency.

2.3 Offsetting of financial assets and liabilities

The Centre shall not offset assets and liabilities, or income and expenditure, unless required or permitted by the CAS.

2.4 Plant and equipment

Plant and equipment are initially stated at cost. Subsequently, plant and equipment are stated at cost less accumulated depreciation. The cost of an item of plant and equipment includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. The initial estimate of the costs of dismantlement, removal or restoration is also included as part of the cost of plant and equipment if the obligation for the dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

Plant and equipment shall not be revalued and are not required to be assessed for impairment.

Subsequent expenditure relating to plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the Centre and the cost of the item can be measured reliably. The cost of day-to-day servicing of an item of plant and equipment are recognised as expenditure in the statements of financial activities in the period in which the costs are incurred.

Gains or losses arising from the retirement or disposal of plant and equipment are determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and are recognised in statement of financial activities on the date of retirement or disposal.

Depreciation is computed on the straight-line method to write-off the cost of the plant and equipment over its estimated useful life. The estimated useful lives of the plant and equipment are as follows:

	<u>Useful lives</u>
Office equipment	5 years
Furniture and fitting	5 years
Computers	3 years
Renovation	10 years
Other assets	3 years

Loving Heart Multi-Service Centre (Jurong)
NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.4 Plant and equipment (cont'd)

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use and no further charge for depreciation is made in respect of these assets.

The residual value, estimated useful life and depreciation method are reviewed at each reporting date and adjusted prospectively, if appropriate.

2.5 Financial assets

The Centre has its financial assets in the following categories: cash and cash equivalents and other receivables. The classification depends on the purpose for which the assets were acquired.

Receivables

Receivables are presented as current assets, except those maturing later than twelve months after the balance sheet date which are classified as non-current assets.

Receivables (excluding prepayments) are recognised at their transaction price excluding transaction costs, if any. Transaction costs are recognised as expenditure in the statement of financial activities as incurred. Prepayments are initially recognised at the amount paid in advance for the economic resources expected to be received in the future.

After initial recognition, other receivables are subsequently measured at cost less any accumulated impairment losses. Prepayments are subsequently measured at the amount paid less the economic resources received or consumed during the financial year.

Financial assets are derecognised when the contractual rights to receive cash flows from the assets have expired or have been transferred and the Centre has transferred substantially all risks and rewards of ownership. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received is recognised in statements of financial activities. The amount of the allowance is the difference between the asset's carrying amount and the undiscounted future cash flows, excluding unearned interest of interest-bearing assets that the Centre expects to receive from the assets. The amount of the allowance for impairment is recognised in the statement of financial activities.

2.6 Impairment of financial assets

The Centre assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

If there is objective evidence that a receivable is impaired, the carrying amount of the asset is reduced through the use of an allowance account. The amount of the loss is recognised in the statement of financial activities.

Loving Heart Multi-Service Centre (Jurong)

**NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.6 Impairment of financial assets (cont'd)

If, in a subsequent period, the amount of the impairment loss decreases, and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in the statement of financial activities.

2.7 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash at bank and fixed deposits that are subject to an insignificant risk of changes in value.

2.8 Financial liabilities

Financial liabilities are recognised on the balance sheet when, and only when, the Centre becomes a party to the contractual provisions of the financial instrument. A financial liability is derecognised when, and only when, the obligations under the liabilities are discharged, cancelled or they expired.

Payable excluding accruals are recognised at their transactions price, excluding transaction costs, if any, both at initial recognition and at subsequent measurement. Transactions costs are recognised as expenditure in the statement of financial activities as incurred. Accruals shall be recognised as the best estimates of the amount payable.

2.9 Provisions

Provisions are recognised when the Centre has a present obligation (legal or constructive) as a result of a past event, it is probable that a transfer of economic benefits in settlement will be required and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, any adjustment to the amounts previously recognised shall be recognised as expenditure in the statement of financial activities unless the provision was originally recognised as part of the cost of an asset.

2.10 Key management personnel

Key management personnel of the Centre are those persons having authority and responsibility for planning, directing and controlling activities of the Centre, directly or indirectly.

Loving Heart Multi-Service Centre (Jurong)

**NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.11 Related parties

CAS defines a related party as a person or entity that is related to the reporting entity and it includes a person or a close member of that person's family if that person:

- (i) has control or joint control over the reporting entity;
- (ii) has significant influence over the reporting entity; or
- (iii) is a member of the key management personnel of the reporting entity or of a related entity.

For the purpose of the financial statements related parties are considered to be related to the Centre if the Centre has the ability, directly or indirectly, to control or exercise significant influence over the party in making financial and operating decisions or vice versa, or where the Centre and the party are subject to common control or common significant influence. Related parties include related corporations, associates, joint control entities, joint ventures and individuals who are key management personnel or close member of their families.

Included under related parties are the key management personnel. The Management Committee is considered as key management personnel of the Centre.

2.12 Income taxes

The Centre, being a registered charity is exempted from paying taxes as stated under Section 13(1) (zm) of the Singapore Income Tax Act.

2.13 Revenue recognition

Income is recognised in the statement of financial activities when the effect of a transaction or other event results in an increase in the Centre's net assets. Income is recognised when the following three factors are met:

- (i) Entitlement

The Centre has control over the rights or other access to the resource, enabling the Centre to determine its future application;

- (ii) Certainty

It is probable that the income will be received; and

- (iii) Measurement

The amount of the income can be measured by the Centre with sufficient reliability.

Loving Heart Multi-Service Centre (Jurong)

NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.13 Revenue recognition (cont'd)

The following specific recognition criteria must also be met before income is recognised:

Voluntary income and miscellaneous income

Voluntary income includes donations, grants and sponsorship which are recognised upon receipt. Miscellaneous income are recognised on receipt basis.

Investment income

Interest income is recognised on accrual basis using the effective interest rate method.

2.14 Recognition of expenditures

Expenditures are recognised in the statement of financial activities once the goods or services have been received unless the expenditure qualifies for capitalisation as assets such as inventory and property, plant and equipment. Expenditure on performance-related grants are recognised to the extent the specified service or goods have been provided. Expenditures in the statement of financial activities are classified under the cost of generating funds, cost of charitable activities and governance costs.

Cost of generating funds

All cost associated with generating income from all sources other than from undertaking charitable activities are included under cost of generating funds.

Cost of charitable activities

All resources applied in undertaking activities to meet the Centre's charitable objectives are classified under cost of charitable activities.

Governance costs

This includes costs of governance arrangements that relate to the general running of the Centre as opposed to the direct management functions inherent in generating funds, service delivery and programme or project work. These activities provide the governance infrastructure, which allows the charity to operate, and to generate the information required for public accountability. They include the strategic planning processes that contribute to future development of the Centre.

Loving Heart Multi-Service Centre (Jurong)
NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.14 Recognition of expenditures (cont'd)

Allocation of costs

Where appropriate, expenditures that are specifically identifiable to each cost classification are allocated directly to the type of costs incurred. Where apportionment between each costs classification is necessary, the following apportionment bases are applied:

- Usage;
- Head count i.e. on the number of people employed within an activity;
- Floor area occupied by an activity;
- On time basis; and
- Expenditure total.

2.15 Grants and donations

The recognition of a promised grant or donation is evidence of entitlement which normally exists when the grant is formally expressed in writing. Where the entitlement is demonstrable, and no conditions are attached, such promises are recognised as income once the criteria of certainty and measurability are met. When conditions are attached, they must be fulfilled before the Centre has unconditional entitlement to the income. The income is deferred as a liability where uncertainty exists as to whether the Centre can meet the conditions and are recognised as income when there is sufficient evidence that the conditions imposed can be met.

2.16 Employee benefits

Defined contribution plan

The Centre makes contributions to the Central Provident Fund in Singapore. Contributions to the defined contribution plan are recognised as an expense in the period in which the related service is performed.

Short-term benefits

All short-term benefits including accumulating compensated absences are recognised in the statement of financial activities in the period in which the employees rendered their services to the Centre.

2.17 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Centre; or

Loving Heart Multi-Service Centre (Jurong)
NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.17 Contingencies (Cont'd)

- (b) a present obligation that arises from past events but is not recognised because:
- (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) the amount of the obligation cannot be measured within sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Centre.

2.18 Unrestricted funds

Unrestricted funds are classified into two categories:

Unrestricted non-designated funds

These represent funds received by the Centre that are expendable for any activity within the Centre at the discretion of the Management Committee in furtherance of the Centre's objectives.

2.19 Restricted funds

Restricted funds are funds subject to specific trusts, which may be declared by the donors or with their authority such as in the literature of a public appeal or created through legal process, but still within the wider objects of the Centre.

Restricted funds may only be utilised in accordance with the purposes established by the sources of such funds and are in contrast with unrestricted funds over which the board of management retains full control to use in achieving its Centre's purposes.

The Centre classifies the following fund as restricted fund:

- Food gift programme
- Project journey with you
- Fo fa dao ling zhu gong – Loving heart MSC (J) bursary awards

Loving Heart Multi-Service Centre (Jurong)

NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 March 2022

3. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Centre's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of the revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of reporting period. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

No significant judgements were made by the management in the process of applying the Centre's accounting policies nor were there key sources of estimation uncertainty that have significant effect on the amounts recognised in the financial statements.
